

Lindsay Lee

👤 Hello! I am a Toronto-based screenwriter and Executive Producer at [Gazelle Automations](#), a production company specializing in films with puppets, miniatures and animation.

📁 Projects

Miikshi

Head writer of digital children's series produced by [TVOKids](#) and [Shaftesbury Kids](#). When things go haywire in the big city, shy sheep inventor Miikshi is there to save the day!

The Shapeshifters

Writer & creator of children's series currently in development with support from the [Independent Production Fund](#) and [Canada Media Fund](#). A celebration of how makers across Canada create everything from soap to clocks to dollhouses, through the eyes of a curious robot named Zinca!

Power Lines

Writer & creator of children's series currently in development with [CBC Kids](#). Power Lines follows the adventures of Proto, a brand-new subway train who's learning the lay of the tracks.

Threepenny Submarine

Story editor of digital series produced by [Opera5](#), combining opera music, sci-fi, puppets and model miniatures for an adventure under the sea!

Harmon in Space

Co-writer of digital series in collaboration with the [Kingston Symphony Orchestra](#). Join Harmon the Hound aboard her spacefaring string bass as she learns about the many musical instruments in a symphony orchestra.

Miikshi the Meek Sheep in the Cosmic Potato (2019)

Writer of award-winning family short film officially selected by 9 international film festivals. Shy scientist Miikshi must save her city from a potato gone awry!
